ARE YOU READY FOR THE RACKET CLUB?

PREPARE YOURSELVES FOR A HUGE HE.SHE.THEY TAKEOVER IN OUR RAVER'S PARADISE

It's all happening in the 'Hof! Yesterday, we welcomed thousands of you Snowbombers to resort and kicked off the festivities with our incredible Welcome Party at The Strass Bar. We hope you're settled in and ready for the real party to begin as tonight, we will truly be getting into the swing of things... Not quite tennis swings, but close enough. We have once again transformed Mayrhofen's sports hub into our infamous raver's paradise. The Racket Club will be hosting a huge HE.SHE.THEY takeover featuring none other than Denis Sulta, Mella Dee, Sarah Story and Emily Nash. Join us as we heat up the mountains with these House heavy hitters all night long.

Usually, The Racket Club is home to Austria's tennis fanatics, but then... *enter Snowbombing*. We transform it into one of the world's most sacred dance music destinations. This tennis-club turned super-club is kitted out with immersive visuals, soaring CO2 cannons and dance-floor dismantling bangers that are sure to have you dancing till dawn. A favourite among Snowbombers and artists alike, we have witnessed music history at The Racket Club in previous years, and 2023 is sure to follow. Make sure you

get yourself down there tonight for a night of memory making and dance floor shaking, courtesy of HE.SHE.THEY.

Let yourself be free on a truly inclusive dance floor with the festival community you love, HE.SHE.THEY. With a spectacular soundtrack, hypnotising dancers and high energy to match, join us for a boundary breaking show you'll never forget. HE.SHE.THEY are all about creating a dancefloor sanctuary, a place without prejudice where people can be people. Head down to The Racket Club tonight to create some unbelievable Snowbombing memories within a dance utopia.

Let's talk lineup. There are some huge names on the bill tonight and kicking everything off at 10pm is rising House star, Emily Nash. At just the age of 21, Emily is a rising star as both a producer and DJ. She has received radio play on some of the UK's biggest shows and her song "Strangest Thing," won Jaguar's first "Dance Floor Moment" on BBC Radio 1 Dance. Then, following on from Emily's heavy House tunes will be Sarah Story. With a singing career that has taken her all over the world and a rising radio career combined with her eclectic music, prepare for Sarah's ex-

plusive set packed with house classics and dreamy vocals. Hitting the decks next will be techno-enthusiast and club-culture curator Mella Dee. After a huge sold out tour, expect a House and Techno heavy set that is sure to keep you dancing until the early hours. Finally, rounding up the night's festivities will be none other than Scottish DJ and producer, Denis Sulta. The King of Sulta Selects is renowned for his high-energy and eclectic sets that seamlessly blend multiple electronic genres of house. He'll be providing you with all the feel-good tunes you need to round off an epic HE.SHE.THEY takeover at The Racket Club.

The Racket Club will be open all week long, hosting even more incredible DJ sets from the likes of DnB royalty Andy C and Kings of the Rollers. Don't miss the Defected takeover on Wednesday 12th April too! Make sure to check out our incredible warehouse wonderland during the week.
